

Press Kit

Welcome to the BuildPoint Press Kit, your comprehensive source for information on a leader in the construction and facilities management industry. Within this press kit, you'll find detailed insights about our operations, services, leadership team, and our commitment to excellence. Our aim is to facilitate easy access to essential company details for media professionals, potential clients, and industry analysts.

Mission Statement

“BuildPoint is dedicated to empowering brands to thrive and grow. We bridge the gap between corporate support and franchise realities through trust, valuable partnerships, and scalable growth initiatives. Innovating alongside the changing industry, we leverage our national resources and local relationships to fuel both emerging and large brand successes. United with our clients, we construct a future defined by building better.”

Company Overview

Construction Services that Deliver Excellence

BuildPoint orchestrates top-tier construction services with a steadfast focus on elevating your project from ground-breaking to grand opening. Leveraging our expertise in owner representation and construction management, we ensure a comprehensive strategy is in place, covering all aspects of your project. Through unwavering communication, strategic value engineering, and proactive cost management, we bring your vision to life efficiently and reliably.

Facilities Management Tailored to Your Needs

Our Facilities Management services uphold the integrity and performance of your operations with reactive, planned, and preventive maintenance. From HVAC systems to EV Charging Station Maintenance and structural repairs, we cover a broad spectrum of services to maintain your facilities in pristine condition, reflecting the polished professionalism you expect and deserve.

Strategic Procurement Solutions for Scalable Success

BuildPoint's Procurement Solutions focus on optimizing every purchase to leverage maximum potential. Our comprehensive supplier management and strategic planning align with your unique brand requirements, ensuring streamlined efficiencies and consistent brand representation across all your purchases.

“Store in a Box”

Our innovative “Store in a Box” solution simplifies the complexities of setting up or renovating retail spaces, facilitating a seamless and accelerated process to establish fully functional locations. This comprehensive package ensures uniformity and brand consistency, delivering cost-effectiveness while condensing construction timelines.

Leadership Profiles

Aaron Grondin, Co-Founder & Visionary

With over two decades of entrepreneurial career, Aaron serves as the strategic visionary behind BuildPoint, bringing extensive industry relationships and hands-on experience to the forefront. His passion for innovation and scalable solutions drives BuildPoint’s commitment to building better for emerging brands.

Jim Boushee, Co-Founder & Industry Expert

Jim brings 28 years of expertise to his role, overseeing BuildPoint’s operations with a focus on improvement, efficiency, and quality. A Lean Six Sigma Green Belt holder, Jim’s leadership ensures our clients receive an exceptional experience through innovative solutions and strategic visioning.
